

CIVILS

MARSH CIVILS NEWSLETTER

March 2022

Welcome to the first issue of CIVILS, our Marsh Civils newsletter.

If you'd like to know more about any of the products, news and information in this newsletter, do get in touch.

Contact us

Specialist civils division launched

We are delighted to launch our specialist division, Marsh Civils, to focus on the company's activities in industrial water/wastewater storage and treatment.

Read all about it

Marsh Civils product portfolio

From sewage treatment plants for 1000-person developments to two-person portable sewage treatment plants for temporary site accommodation, Marsh Civils has the ideal solution for your project. Check out the full range here.

Full range

Fully certified solutions

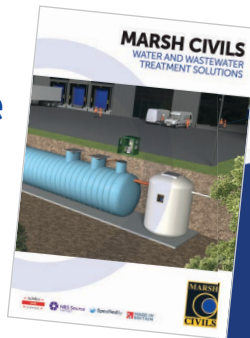

Marsh Civils products are fully tested by third parties and certified for materials and fire safety. All certification and product literature is available for viewing in our product technical library.

Business Development

oliver.beaumont@marshindustries.co.uk | 07432 426995

Greg Copcutt

Commercial Pump Manager - Basement pumps

greg.copcutt@marshindustries.co.uk | 07384 464513

Shelagh Crabb

Business Development - Oil separators

shelagh.crabb@marshindustries.co.uk | 07469 204971

BIM/CAD Library

We host a wide range of product downloads for architects, engineers, consultants and specifiers, including BIM files (RFA files), DWG CAD files and other supporting documentation.

We also provide no-obligation technical advice and guidance on our range.

BIM/CAD library

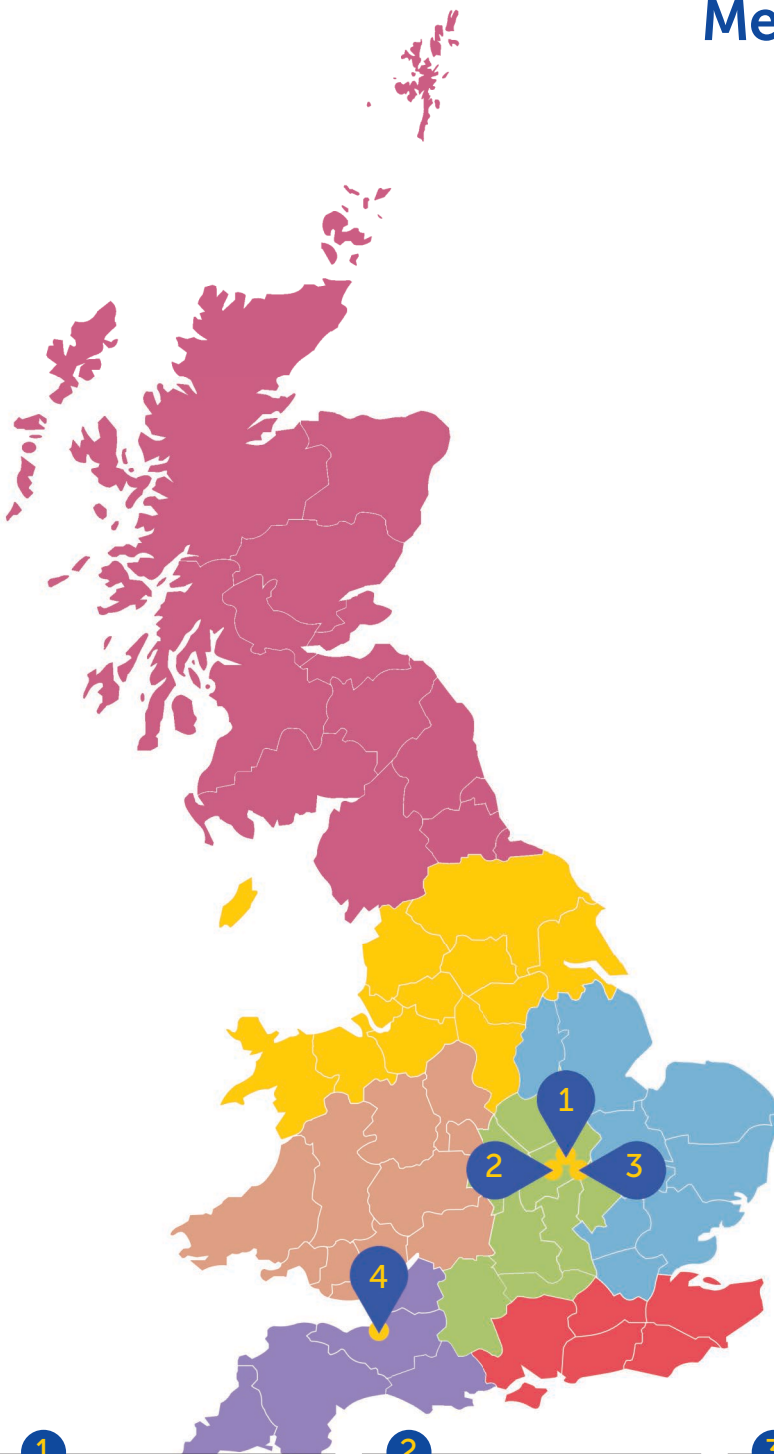

Case study: Magna Park, Lutterworth

To comply with strict regulations for oil and hydrocarbon separation on discharge, the requirement for Marsh full retention oil separators was identified alongside two additional bypass separators and a forecourt separator to protect against major fuel spillages.
