

Choose Marsh for Nitrate and Phosphate reduction

Marsh offers validated, certified sewage treatment plants, essential for environmental compliance. Tested to European Standards by PIA and verified by British Water, our Aqua-Puratine range ensures peace of mind. Benefit from bespoke Gaia Sege design, tailored tank configurations, and intelligent dosing for cost-efficient, environmentally sound nitrate and phosphate reduction.

Championing grassroots rugby

Marsh Industries proudly supports Bugbrooke Badgers U13's with fresh playing kits. Michael Harrison, Business Development Manager and influential coach, noted the joy of players receiving new gear. The timing aligns with an upcoming tournament, enhancing their confidence.

Competitive sewage treatment

Introducing the Marsh:ENCO, a cost-effective solution for today's cash-conscious market. Renowned for efficiency and reliability, Marsh sewage treatment plants lead the industry in performance and affordability.

BIM/CAD product downloads

Access technical downloads via NBS Source, SpecifiedBy, Achilles, and Marshindustries.net for Architects, Engineers, Consultants, and Specifiers. CPD sessions also offered. Contact michael.harrison@marshindustries.co.uk for details.

BH&HPA Conference 2024

With strong interest in the Marsh product range from the Leisure Sector, we exhibited at the BH&HPA Conference at the QEII Centre in Westminster on 6-7 February.

National Sales Manager

Newly promoted National Sales Manager, Ollie Beaumont, is bringing his expertise to the entire Marsh product range following proven success as Regional Sales Manager. Ollie exemplifies leadership and will drive sales growth with the external team, ensuring the company's continued success. [See reverse for the new sales map.](#)

BMN Awards

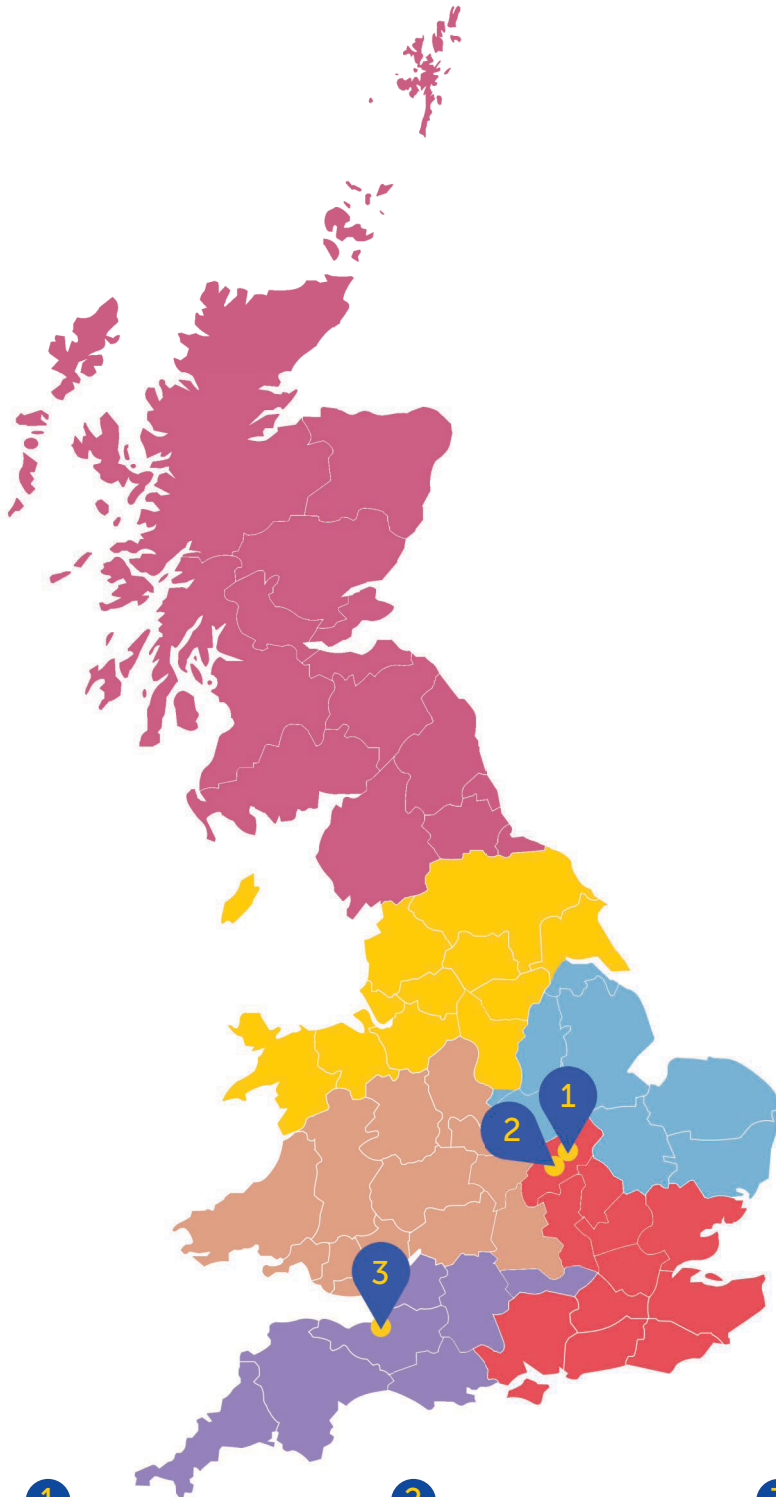

Marsh attended the Builders Merchants News Awards 2023 at the Park Plaza, Westminster Bridge Hotel, and were proud to sponsor the Marketing Initiative of the Year. With the award going to Bradford's Building Supplies.

Marsh's mission spans continents
Delivering 7 sewage treatment plants to Benin, West Africa, over 3000 miles away
